THE ASSOCIATION

The Connecticut Association of Boards of Education (CABE), is a not-for-profit association serving local and regional boards of education. CABE is dedicated to improving public education throughout the state and nation.

CABE offers a wide array of information and management services to boards of education and their administrative teams. We also provide legal and negotiations services to boards and advocate their interests in Hartford and Washington, D.C., through a very active government relations program.

THE JOURNAL

The *CABE Journal* is the Association's major publication. It reaches virtually all board members, superintendents and business managers in Connecticut. It is published 11 times a year and is designed to encompass all material in an easy-to-read fashion. Readers of the *CABE Journal* find a wide range of educational topics covered in each issue. All CABE members receive the *Journal* as part of their membership.
