Help your new board members put the pieces together!

The first year as a new school board member can be difficult. To ensure a good foundation, board members must have the right tools at their disposal. **The New Board Member Packet** contains critical information a newly elected board member needs.

The packet includes:

- ✓ Roberts Rules
- ✓ Education Law Summaries
- ✓ CABE Board Meeting Guide
- ✓ Collective Bargaining Handbook
- ✓ Becoming a Better Board Member- 4th Edition
- ✓ Connecticut Glossary of School Board Terms
- ✓ Roles and Responsibilities of Board of Education Membership
- ✓ Telling Your Story - A Communications Guide for School Boards
- ✓ Simplified Chart of Parliamentary Procedures, Media Tips and Lobbying Tips Cards

These books and guides answer questions you might have heard as a board member.

For example:

- What is the difference between a policy and an administrative regulation?
- What authority does a board member have outside the board meeting?
- What is binding arbitration?
- When can you go into executive session?
- Where can I get information on parliamentary procedures?
- What are my responsibilities as a board of education member?

New board members, seasoned veterans, and superintendents can all benefit from this valuable resource. Make this packet a part of your district's onboarding process.

The packet of seven books (plus much more) costs only \$85 for CABE member districts and \$180.85 for non-member districts.
