June 26, 2018

TO: Administrative Assistants
FROM: Robert Rader, Executive Director, CABE
RE: Updating CABE's Database

We need your help!

Please review and update your district's information. You can go to:
<https://ams.embr.mobi/Login.aspx?C=PNOR>, click on eMembership, and follow the step-by-step directions and update your information directly to the CABE database. This will help to ensure that all your board members are receiving information from CABE in a timely manner.

Board members, superintendent, assistant superintendent and business administrator are key leaders in your district. This updated information will help keep **everyone** informed.

Thank you for taking the time to update this information.
