
Board of Education Appreciation Month celebrated in March

Some other suggestions to celebrate Board of Education Appreciation Month are:

- bring special refreshments to a school board meeting;
- arrange for a city/town official proclamation declaring **March School Board Recognition Month**;
- add a special school board recognition “thank you” to the district’s and schools’ web pages;
- make a special effort to introduce board members at school functions during March and thank them for their service;
- during a school board meeting, arrange for several students from a variety of grades to demonstrate to the board how they are meeting district standards.

CABE Day on the Hill
March 8, 2017 • 8:30 AM
The Bushnell,
Autorino Great Hall
Capitol Avenue, Hartford

One of the important activities board members perform is advocacy, especially in this time of financial constraints.

With a strong united voice we can make our voices heard. Bring community members to rally for public education. Let Legislators hear your voice. Plan to attend CABE’s Day on the Hill and have your voice heard!
