### Statement of non-discrimination

Regional School District 12 is committed to a policy of equal opportunity/affirmative action for all qualified persons. Regional School District 12 does not discriminate in any employment practice, education program, or educational activity on the basis of race, color, religious creed, sex, age, national origin, ancestry, marital status, sexual orientation, gender identity or expression, disability (including, but not limited to, intellectual disability, past or present history of mental disorder, physical disability or learning disability), genetic information, or any other basis prohibited by Connecticut State and/or Federal nondiscrimination laws. Regional School District 12 does not unlawfully discriminate in employment and licensing against qualified persons with a prior criminal conviction.

Regional School District 12 is seeking a highly qualified individual to provide thoughtful leadership, a commitment to student success, and a drive for academic excellence to shape the future of Shepaug Valley School. The successful candidate will possess an expertise in developing new programs and leading a middle and high school. We welcome a partner to lead this extraordinary staff to make a lasting difference in the lives of students.

# REGION 12 SCHOOLS WANTS TO FIND THE LEADER IN YOU!

“My expectation for our schools is that we deliver a world-class education system designed around the needs of students. Students are not limited to learning reading, writing, and arithmetic in isolation. We provide our students with ways to compete in the global market. Our students need to be able to communicate, collaborate, problem-solve, and creatively think as they enter into the ever-expanding job market. As educators, we seek to grow all students to their fullest potential while still addressing their developmental and emotional needs.”

-Superintendent Megan Bennett

Shepaug Valley School is a small but comprehensive school serving grades 6-12 in Washington, CT. Shepaug is the regional secondary school for the towns of Bridgewater, Roxbury and Washington. This middle/high school combination allows for flexible and varied learning programs while making personal connections with each student. We offer challenging courses that engages teaching methods. We utilize proactive support services that address differences, enhance student achievement and promote the continued success of each student. Shepaug students gain valuable experiences based on their passions in a variety of programs. The addition of The Agriscience Academy provides our students a dynamic agriscience education to enrich a high school experience. Families are an integral part of this goal, as are the community members who offer continual support and encouragement.

Shepaug Valley School offers academic programming that allows our students acceptance to some of the most competitive colleges in the world. Additionally, we offer:

- Award-winning theater, music and art programs
- TV studio production training
- Innovative and Computer Science offerings
- Real-world problem solving with scientific experts
- Virtual High School offerings in over 150 courses, include AP classes
- Access to Planetarium on campus
- Opportunities for community service
- Scholarship opportunities for students
- 17 Advanced Placement and Early College Experience courses onsite

The Agriscience Academy at Shepaug Valley School provides an agriscience education to students from seven sending towns to join agriscience students from Bridgewater, Roxbury and Washington. A focus on 21st-century agriculture skills with a focus on eco-friendly methods creates a unique learning opportunity on our campus.
